ETHIOPIA

LIMITED PERMITS FOR
MOUNTAIN NYALA
MOUNTAIN and DESERT SAFARIS

Bale Mountain UNTIL CANCELLED BY THE OUTFITTER, DEDUCT \$650/DAY!!!

THE place for Mountain Nyala. The other major species is Menelik's Bushbuck. The best months are October - June. The Nyala-only hunt is for 15 days (21 days if you add Menelik's Bushbuck and other mountain species) at \$1,675 per day + 15% VAT + \$100 per day conservation fee + \$30 per day game scout fee. You will probably hunt much less, but you pay for 15 or 21 days. Trophy fees for the mountain species are \$15,000 for Mountain Nyala and \$6,000 for Menelik's Bushbuck. Other species usually available in the mountains are Colobus Monkey, Anabus Baboon, EA Bush Duiker and, occasionally, EA Bohor Reedbuck. There is a \$1,500 change-of-camp fee and a total requirement of 26 days if you add the desert hunt.

Danakil Desert (minus \$650 day)

The major species are Beisa Oryx (\$2,000), Lesser Kudu (\$3,000), Soemmering's Gazelle (\$2,600), Salt Dik Dik (\$340), and Abyssinian Bushbuck (\$700). Other species usually available are Hamadryas Baboon (\$1,000) and, occasionally, Ostrich, Golden Jackal, and Abyssinian Hare. For both hunts, add \$100 for your rifle permit + any hotel before or after your safari.
