ETHIOPIA

LIMITED PERMITS FOR
MOUNTAIN NYALA
MOUNTAIN and DESERT SAFARIS

Bale Mountains Until Cancelled by the Outfitter, DEDUCT \$500/DAY FROM BELOW!!!

THE place for MOUNTAIN NYALA. The other major species is Menelik's Bushbuck. The best months are October - June. The Nyala hunt is for 15 days at \$1,675 per day. To add Menelik's Bushbuck, the government requires 21 days. Other costs are \$100 per day conservation fee + \$30 per day game scout fee + \$150 rifle import fee + 15% VAT. You will probably hunt much less, but you pay for 15 or 21 days. Trophy fees for the mountain species are \$15,000 for Mountain Nyala and \$6,000 for Menelik's Bushbuck. Other species usually available in the mountains are Colobus Monkey, Anabus Baboon, EA Bush Duiker, Warthog, Spotted Hyena and, occasionally, EA Bohor Reedbuck ... all at low trophy fees.

Danakil Desert

The major species are Beisa Oryx (\$2,000), Lesser Kudu (\$3,000), Soemmering's Gazelle (\$2,600), Salt Dik Dik (\$340), and Abyssinian Bushbuck (\$700). Other species usually available are Hamadryas Baboon, Ostrich, Golden Jackal, and Abyssinian Hare. To hunt one of the first 3 species plus the lesser species requires 15 days. To hunt all the desert species requires 21 days. **TO HUNT ALL AVAILABLE MOUNTAIN AND DESERT SPECIES REQUIRES 26 DAYS** plus a \$1,500 change-of-camp fee between the mountains and the desert.
